Application for an EPA Scholarship

FOR OFFICE USE

Application No: 2019/ _____

IMPORTANT NOTES!

- Scholarships are available only for university studies towards attaining a Bachelor's Technology / Science degree and /or National Diploma in engineering at a University or Technical Collage in Namibia and or South Africa. The institution of choice shall be accepted by the Engineering Council of Namibia.
- Students that have successfully passed their first academic year of study as per the above degree and or national diploma in engineering and excludes Introduction to Engineering.
- Namibian citizens are eligible for consideration.
- This form provides the Engineering Professions Association of Namibia with personal information and is afforded strict confidentiality. The information will only be used to assess your eligibility for the award of an EPA Scholarship.
- The application will only be considered if all the required information is provided!
- The application may be submitted by email, with supporting documents scanned and attached in common electronic formats – please adhere to a 2MB email limit.

SECTION A:
