## EPA Annual Report 2005 / 2006

As mentioned in the Editor's remarks it has been a long time since the last publication of the "EPA Magazine". The EPA Annual Report 2005/2006 herewith included is indeed an attempt to realise the Council's ideal of producing a regular magazine again. May this Annual Report provide good reading to you and / or encourage engineers, technicians and others to submit articles on interesting and relevant topics for our next publication.

## EPA Annual General Meeting

This year's Annual General Meeting of the association was held at the Bauernstube Restaurant in Windhoek on Tuesday 17 October 2006.
